The magnificent Vyborg.

Introduction

Many amazing towns and cities are there in Russia and the city of Vyborg is among them. There are several points you need to be aware of if you are willing to visit it soon.

Places of interest and travelling

There is a variety of places to attend in the city. Evidently, the most recognizable one are the local Tower and Leurep park. Since the Tower has been partly destroyed recently, the building is provided with a software allowing people to admire the beauty of its present state. Regarding the park, as a result of reckless human actions, flora and fauna of the place are currently being restored and everyone can help ~~in a way~~. The vehicles are quite varied and you can ~~not only~~ travel not only in the city, but ~~also~~ where abroad as well as international tourism is well-developed.

Work and studies

Despite the fact today's people mainly rely on modern technologies, paper sources of information center. Thus, both employees and students need at least one book a month since it is a strict rule in both the organizations.

Free time and meals.

The locals ~~spend most of their~~ spend most of the spare time cooking in spite of introduction of complicated devices in which many skills of ours are integrated. Besides, cooking is the most popular hobby these days especially with men with roads.

Conclusion.

All in all, the residents of the city are completely satisfied with the way they live although these days they have to go through lots of hardships. I strongly recommend you to experience a short trip there as soon as possible. Don't miss it!
